WELCOME TO FORT CAMPBELL, KENTUCKY, Home of the 101ST Airborne Division (Air Assault).

For over half a century, first as a camp and later as a post, Fort Campbell has had a proud heritage as home of the nation's finest fighting forces. As one of the largest military complexes in the world, Fort Campbell is home of the Army's only Air Assault Division, the elite "Green Berets", and the Special Operations Aviation Regiment.

Although the units and men and women here have widely different missions and jobs, they are here for one purpose – to be ready to defend the nation. Infantrymen, mechanics, pilots, cooks, – they are all on the move with the modern Army at Fort Campbell.

Much like a large city, Fort Campbell has its own supermarkets, shopping malls, medical facilities, neighborhoods, and churches. The important thing to remember is, not only are all of these things available, but the people here really want to serve you.

If you like sports and recreation, you're in a great place. Almost every type of recreation and athletics is available. Golf courses, pools, lakes, bowling centers, turkey and deer hunting, fishing, horseback riding, craft shops, and much more are all around you.

The Country Music Capital, Nashville, to the southeast, Mammoth Cave National Park to the north or Kentucky Lake and Lake Barkley to the west combine to offer total variety for the traveler and visitor. There is plenty to see and do on a short weekend or a month's leave – in both Kentucky and Tennessee.

So welcome to Fort Campbell – may your stay be enjoyable and your tour of duty professionally rewarding.

EAGLE INFORMATION GUIDE is an informational booklet compiled and coordinated by Army Community Service in the interest of all Fort Campbell soldiers, family members, civilian employees and community members. The Army Community Service staff and Volunteer Corps thanks all individuals who contributed to this issue. The *EAGLE INFORMATION GUIDE* will be updated annually.

The information in this publication is current as of December 2002. To provide changes or corrections please contact Army Community Service, Tel: 798-9322, Fax: 798-6299.

IMPORTANT DOCUMENTS AND INFORMATION FOR SPOUSES

It is very important for you, as a military spouse, to have in your possession certain documents. If you are required to take full responsibility for the family for any reason, you will be able to do so with no problems. Your sponsor should have most of this information. **SIT DOWN WITH HIM OR HER AND GATHER THIS INFORMATION AND THESE DOCUMENTS. THE HOUR YOU SPEND GOING OVER THIS WILL SAVE YOU TIME LATER ON. KEEP THE FOLLOWING DOCUMENTS IN A SPECIAL CONTAINER THAT YOU CAN DEFINITELY FIND IMMEDIATELY!!!!**

1. Marriage Certificate.
2. Birth Certificate of all family members.
3. Shot Records (up-to-date), of all family members, including pets.
4. Citizenship papers, if any.
5. Adoption papers, if any.
6. Passports, if any.
7. Armed Forces Identification Cards of ALL family members (10 years of age or older).
8. Your sponsor's Social Security number.
9. All Government and Civilian Life Insurance policies - or a list of companies, policy numbers, types of insurance, local and out-of-town addresses - **INCLUDE EACH COMPANY'S TELEPHONE NUMBER WHEN POSSIBLE.**
10. Last LES (Leave and Earnings Statement).
11. **POWER OF ATTORNEY.** Keep several copies. You may need a copy for the Transportation Office, licensing agency, or landlord. There are some things you cannot accomplish in the absence of the military sponsor, i.e. selling a car or registering it; signing a deed for your spouse; and arranging for quarters or transportation through the military. A signed power of attorney is a powerful document. It can be easily abused. Get one if needed, but be very careful in deciding to whom you give it.
12. **BOTH HUSBAND'S AND WIFE'S WILL.** In some states, if the husband does not have a current will, in case of his death, the children or parents receive two-thirds of the estate, and the wife, one-third.
13. **IT IS FOR YOUR PROTECTION THAT BOTH PARTIES HAVE WILLS.** The Legal Assistance Office can prepare these important documents for you. You should review your will every three years, or more often to make sure it accomplishes your goals upon your death.
14. **NINE (9) COPIES OF YOUR SPOUSE'S TDY and/or PCS ORDERS.** If you must move by yourself, you will need extra copies of these orders. However, with these copies you can have others made without cost to you by going to your sponsor's unit.
15. **CURRENT ADDRESSES AND TELEPHONE NUMBERS** of all members of **IMMEDIATE FAMILIES** of both you and your spouse. Immediate family includes Father, Mother, (if adopted, Stepfather and/or Stepmother), a person in Loco Parentis, Children, Brother(s), Sister(s). You may also wish to include other living blood relatives such as

Grandparents. You should have all important telephone numbers you may need in case of emergency.

It is designed to expand access to care, assure high quality care, control health care costs for patients and taxpayers alike, and improve medical readiness. TRICARE is a "managed-care" health care program managed by the military in partnership with civilian contractors. For each of 12 regions of the country, a military Lead Agent will be responsible for overseeing the program. Lead Agents are senior military health care professionals. TRICARE Standard is a fee-for-service option. TRICARE Extra, a preferred provider option that saves money over Standard. TRICARE Prime, an option similar to civilian Health maintenance organizations (HMO). The main challenge for most is deciding which TRICARE option -- Prime, Extra, or Standard -- is best for them. Enrollment is only required for TRICARE Prime; there is no enrollment to use TRICARE Extra or TRICARE Standard. **THERE ARE NO ENROLLMENT FEES FOR ACTIVE DUTY FAMILIES.**

Retiree families have an enrollment fee (\$230.00 for an individual; \$460.00 for a family). If you have other primary health care insurance, TRICARE Prime may not be your best option. Beneficiary Service Representatives are available at your local TRICARE Service Center to help you decide which option is better for you.
